CONDITIONS OF REGISTRATION

1 July 2026 edition

The organisers reserve the right to amend the terms of these rules. Please check the full registration terms and conditions on our website regularly.

1 – ELIGIBILITY

Mundigolf is the World Golf Cup for Bar Associations Lawyers' Team (4 players), strictly reserved for members of the international legal community. With no preliminary qualifying rounds, the tournament is open to players of all levels of golfing ability.

The competition is open to both women and men without distinction. Teams of four players may be mixed or single-sex. The organisers will adjust the tees for female players to ensure sporting fairness amongst all participants.

Players must hold a valid golf handicap issued by a recognised federation or by the World Handicap System (WHS) must be registered to take part.

2.1- TEAM REGISTRATION

Registration is exclusively reserved for teams comprising:

- Lawyers who are or were previously registered with a Bar
- Other legal professionals (notaries, judges, court officials, whether practicing or retired)
- And, more generally, any person holding a qualification demonstrating a minimum of three years' higher legal education

2.2- SPECIAL CASES FOR STUDENTS AND OTHER EXEMPT PLAYERS

Each team has the option to supplement its squad by submitting a registration application for a player who does not meet the criteria set out in Article 2.1.

An application for an exempt player may be considered for:

- A student who has successfully completed at least one year of postgraduate legal studies
- A permanent employee of a law firm, a notary's practice or a court.

To be admissible, these applications must be submitted to the organising committee by 15 April 2027.
Compliance with these conditions is essential but not sufficient to guarantee a player's acceptance:
the final decision rests with the tournament's sports committee.
Players granted an exemption must have a handicap of no less than 18.

2.3- INDIVIDUAL REGISTRATION

It is perfectly possible to register for Mundigolf as an individual, or in teams of two or three players.

The organising committee will form complete teams by bringing together players who are unable to register directly as a team of four.

COMPETITIONS & TROPHIES

Individual Stage

From the tournament kickoff, the first day played in Stableford determines the ***Individual World Champions*** (Men's and Women's series, Gross and Net categories).

Each player competes with their handicap index, giving beginners the same chances as experienced golfers. This day also serves as qualification for the team competition: the best 3 out of 4 scorecards from each team are counted.

Tie-Breaking Rules

- ***Individual match tie after 18 holes***:
The match is halved (½ point to each team). No extra holes are played, following standard Ryder Cup rules.
- ***Team tie in overall standings***:
The 4th scorecard is checked, followed by the last 9 holes, last 6, last 3, and hole 18.
- ***Team match tie on total points***:
Resolved on the scorecard without replay. The winning team is the one with the highest total holes-up across all matches (e.g., a 3&2 win [+3] and a 1-down loss [-1] net +2). If still tied, results on hole 18 are compared, then hole 17, and so on.

Team Stage

(Match-Play)

At the end of the ***individual day***, the top 3 gross scores of each team are combined to establish the ***overall team standings***.

This ranking divides teams by skill level into two brackets of 8. Each team faces opponents of a similar standard from start to finish:
- ***Diamond Cup***: Teams ranked 1 to 8 (Elite Bracket)
- ***Gold Cup***: Teams ranked 9 to 16 (Bracket 2)

This format may be adapted depending on the total number of registered teams.

Companions Tournament
(non-legal professionals)

Golfing companions are fully part of the experience! Their fee includes 2 days of dedicated competition. Game formats will be adjusted according to participant numbers.
